TERMINAL DISCLAIMER

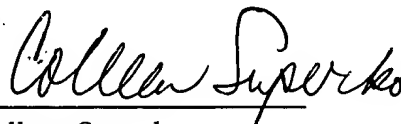

Dear Sir:

I, Colleen Superko, declare that I am an attorney of record for Wyeth, the assignee of all rights and interest in the above-referenced patent application, as recorded on Reel 013110, Frame 0399; and on Reel 013110, Frame 0407; and on Reel 013111, Frame 0641; and on Reel 013112, Frame 0105; and on Reel 013112, Frame 0116; and on Reel 013112, Frame 0161, that the evidentiary documents have been reviewed and that I certify, to the best of my knowledge and belief, that the said patent application is the invention of Wyeth, and that I am authorized to execute this Terminal Disclaimer on behalf of Wyeth.

Pursuant to 35 U.S.C. § 253 and 37 C.F.R. § 1.321, Wyeth hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent granted on United States Letters Patent No. 5,858,358 and hereby agrees that any patent so granted on the subject application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent granted on United States Letters Patent No. 5,858,358, this agreement to run with any patent granted on the subject application and to be binding upon the grantor, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the subject application prior to the expiration date of the full statutory term of any patent granted on United States Letters Patent No. 5,858,358, in the event that either later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.32(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Respectfully submitted,

Colleen Superko
